1 Choose Your Occasion & What You'll Collect

Have a birthday, wedding, anniversary, or other special occasion coming up? Instead of gifts, ask friends and family to donate to Bethlehem House of Bread.

3 Pick Up & Deliver the Goods

Deliver everything to us and we'll let you know the total pounds you collected. Be sure to share the results with your friends and family.

2 Spread the Word

Let your friends and family know what you're collecting and why. Spread the word through email and social media (and of course, personal interactions).
